

WITHOUT A HITCH

EVENTS ASSOCIATE

COMPANY DESCRIPTION

Without A Hitch is a day-of event coordination service for the hands-on bride, groom, or celebrant. The business was founded in 2013 and has grown immensely in this short time to become one of the largest event planners in Boston. Clients are booking events through 2023.

You spent months (probably years, even decades) planning your special event and making sure every detail is in place. You've planned, you've tasted and tested, you've booked, and you're ready. Too often, celebrants rely on friends and family to carry out the plans on the big day. Leave it to the professionals!
